## NS01HC – HARDCORE

The NS01 Hardcore is our 200gsm ultra-heavyweight T-shirt, the undisputed champion of substance and durability. Named for the relentless energy and uncompromising ethics of the punk scene, it features a thicker rib neck and a bold, boxy fit that refuses to sag or lose its shape. For the screen printer, this is the ultimate "tank" of a garment; the high-density weave provides a massive surface area for heavy ink deposits, making it the perfect choice for all print styles, plastisol, water-based or discharge, that need to survive the pit.
