

NS02 - STRAIGHT EDGE

NS02 - STRAIGHT EDGE

The NS02 Straight Edge is our long-sleeve T-shirt, offering total coverage and total solidarity. Taking its name from the commitment to clean lines and a clear conscience in the scene, this shirt features a structured box cut and expansive sleeves with ribbed cuffs. For the printer, the Straight Edge is exceptionally stable; the 200gsm weight ensures the sleeves don't distort under the squeegee, allowing for perfect registration on long, vertical arm prints. It's a reliable heavyweight that behaves exactly how you need it to, sewn by workers who own their strength and their craft.
